Providing Hope to the Homeless

Students involved in the CSL’s Global Leadership Experience (GLE) traveled to the University of Tampa for the Homeless Awareness Service Conference March 3rd-5th, 2016.

GLE Tampa is a collaborative exchange program with the University of Tampa, Kennesaw State University, and the University of Memphis that focuses on poverty and homelessness as a social issue. While in Tampa, students from the three universities experienced challenges the Tampa community currently faces by volunteering at homeless shelters, visiting resource centers, attending a panel discussion with community leaders, and visiting Ybor City and St. Petersburg. Participant Noah Wiley commented on his experience, “I loved seeing a group of college students whose primary goal was to come together to make a difference in people’s lives by attempting to find a solution to something as large as homelessness.”
