Upcoming Programs:

**Thrive Advance:**
On Saturday, June 25th, the CSL will be hosting approximately 250 incoming Thrive students on the Kennesaw campus for a 1-day experiential event. Students will learn about and practice leadership through skill development, team building, and service.

**Relay, Serve, Engage!**
This past semester, more than 40 Thrive students participated in community engagement projects as part of their commitment to the Thrive Program. The projects included: Relay for Life, KSU’s Day of Service, and The City of Kennesaw’s Smith-Gilbert Gardens.

Advanced Student Leader Retreat

The CSL took more than 50 advanced student leaders on an overnight retreat to YMCA Camp High Harbor May 12th – 13th. During the retreat, students were able learn about conflict resolution, teamwork, and the key factors of presenting. Additionally, students assisted the campgrounds with various service projects.

Thank you to Jason Flowers, Dr. Sherrill Hayes, and Kecia Jones who helped facilitate many of the developmental sessions!

The World is Your Classroom

The CSL’s Global Leadership Experience (GLE) traveled to New Orleans with 14 students and 3 staff members April 1st – 8th to volunteer with the United Saints Recovery Project. While in New Orleans, students and staff aided in rebuilding homes damaged by natural disasters.

The 7 students involved with GLE Brazil traveled March 27th – April 9th to Sao Paulo, Curitiba, Florianopolis, and Rio to explore leadership from a global perspective. To learn more about their experience, please click [here](http://uc.kennesaw.edu/csl/) for a short video.
