

HOMELESSNESS AWARENESS WEEK (HAW)

Student Ambassadors

During HAW, students served as Ambassadors for speakers from local non-profit organizations that came to campus to give classroom presentations. The experience allowed students to interact with non-profit leaders serving the homeless community in surrounding areas.

Sleep Out Challenge

The culminating event of Homelessness Awareness Week was the Sleep Out Challenge. The Global Leadership Exchange: Homelessness group helped make this event a success. Students who participated in the challenge spent the night on the Marietta campus.

either inside their car, in a simulated Red Cross shelter, or outside to raise awareness for homelessness.
