The Engaged Owl Leaders (EOL) program is in full swing for the Fall 2016 semester! This semester there are 12 Coordinators and 40 participants. The retreat took place on September 9th-10th, where students engaged in activities at the Challenge Course on the Kennesaw campus, and then continued the rest of the retreat at the Cherokee Outdoor YMCA in Woodstock. The first sessions started the week of September 12th and will run until the week of November 14th. These students will meet weekly, discuss leadership topics with the goal of them getting involved on campus.

Journey of 1,000 Miles

On September 13th, CSL invited retired Colonel Christopher Holshek to KSU to speak about service in action and community engagement. Students engaged with the UN Sustainable Development Goals before making a personal "I Will" action statements and committing to social change.
